

2022 Book Challenge

It's time for our annual Book Challenge! This fun personal challenge is meant to stretch your usual reading habits beyond your comfort zone. There are no prizes or deadlines, and there is no obligation to check off everything on the list. Use this as a guide, for inspiration, or follow it completely! A line has even been provided under each description to record what you've read! We have one for adults (shown here) and one for young readers. Stop by the Library for a bookmark to take home.
