Mount Joy Questions

A.	Near the intersection of Main & Barbara Street locate a replica of the ship “Mountjoy” that in 1689 saved the starving Scot-Irish of Londonderry, Northern Ireland. Find the sculptor’s name on the monument. <i>Record the second letter of his first name as a number.</i>	
B.	At the intersection of East Main Street & Marietta Pike is a Verdin Street Clock installed during the Mount Joy Sesquicentennial. Standing at its base, look up towards the four-faced timepiece. What animal’s face adorns each corner? <i>Record the second letter of the animal’s name as a number.</i>	
C.	In 2001, Mount Joy celebrated its Sesquicentennial. How many years is that? <i>Record the second digit of that number.</i>	

Maytown Questions

D.	In the middle of the roundabout at Center Square in Maytown is a cucumber pump. Water pumps like these were often painted green which accounts for the odd name. What year is stamped onto the tip of the pump’s handle? <i>Record the second digit.</i>	
E.	Several stone monuments at Center Square honor Maytown’s fallen heroes. One is dedicated to East Donegal Township Chief of Police Marvin R. Foltz. On the back of the stone is a quote. Who is it attributed to? <i>Record the fourth letter of the poet’s name as a number.</i>	

Marietta Questions

F.	Visit the grounds of Musselman - Vesta Furnace located at 4 Donegal Place, Marietta, PA. Locate the Frick Stationary Steam Engine. Find the year that George Frick established his company to build these steam engines. <i>Record the fourth digit of that year.</i>	
G.	At the Musselman - Vesta Furnace grounds find the stone base of the chimney. According to the informational sign, how many feet into the air did the chimney once extend? <i>Record the third digit.</i>	
H.	At the Musselman - Vesta Furnace grounds are a series of concrete railroad piers. Ore and coal were dumped from these and “moved by shovel and _____.” <i>Record the fifth letter of the missing word as a number.</i>
